

# National Two-Way Radio Exercise

Open to the Public - All Day

Saturday June 25 and Sunday June 26

Big Bend Amateur Radio Club Field Day

## Get On The Air! GOTA!

Operate a High Frequency radio and contact another GOTA! station. Youth get a Certificate of Merit.

## See What the BBARC Does

Watch radio operations as club members make contacts and earn points in competition with other ARRL affiliated clubs. Learn about the BBARC and the repeater system covering Brewster, Jeff Davis, Presidio, and Pecos counties - 18,000 square miles - using a basic 2m two-way radio.

## Why Become a Ham?

Learn about electronics, radios, antennas, and many more topics. Operate in one of the best areas of the country for ham radio. Be safe with a two-way radio that works everywhere. Ham radio is the broadest and deepest STEM activity available to students.
